SNACK

We do not provide snack. You must send in a snack if you want your child to have one. If your child has any food allergies, make sure that it is noted on the child's profile in RecDesk so that we may appropriately prepare staff. For any additional allergy concerns, please contact Director Sarah Perkins.

ACCIDENTAL BUS TRANSPORTATION PLAN

In case a child accidentally goes home on the bus when s/he is to stay for Lynnfield Community Schools Extended Day, our first course of action is to contact the bus driver and have her/him bring the child back to school. The parent/guardian will be contacted as well to let them know of the situation. LCS works with the main office staff of the school to ensure that the child is safe and returned to school. Please remind your child that if s/he remembers that s/he should have stayed at school while s/he is still on the bus to tell the bus driver to bring her/him back to school. If the child has been dropped off at home, we will contact the parent/guardian and work with them on the best solution given the individual situation.

UPDATED FAMILY/STUDENT INFORMATION

The Lynnfield Extended Day Program must be promptly notified in writing of any new significant physical conditions, personal problems, or changes in the information contained in this application that arise during the term of the child's enrollment in the Program. Contact Director Sarah Perkins at the Lynnfield Community Schools office at 781-334-5814 to share the updated information and she will relay it to the appropriate contact person at the school.

WIRELESS COMMUNICATION DEVICES

Personal wireless communication devices, including cell phones, smart watches, handheld gaming devices, etc. must be turned off and kept out of sight during Extended Day programs and Artworks programs. Students and parents should not utilize electronic communication devices to communicate during EDS program hours. Personal devices with video or other imaging/recording capabilities are prohibited. If a child is found using a device, a parent/guardian will be notified. Items are confiscated and returned to the parent/guardian of the student at the end of the program. When students are using school-issued Chromebooks, it is expected that they are only visiting school approved websites linked through Clever. Youtube and gaming websites, as an example, are not approved for use during any Extended Day program.

The Lynnfield Public Schools, the Lynnfield Community Schools, and anyone associated with the Lynnfield Extended Day Program will not be held responsible for accident, illness, or hospital lab or doctors' fee, as well as for any personal damage or loss.
