

Lynnfield Extended Day Child Care Programs 2024-2025

Registration opens July 1, at 9am on RecDesk!

What do we have to offer?

- BEDS (Before Extended Day)
- LEDS (Later Extended Day)
- REDS (Early Release Extended Day)
- MSC (Middle School Club)

Extended Day Membership:

In order to register for any of the Extended Day programs families must join our Membership program.

- Membership is required for each child that will participate in an Extended Day program, regardless of when they join.
- The membership program runs July 1, 2024 - June 21, 2025.
- Cost is \$25/year, per child, and is non-refundable.
- Once you have joined our membership, you will be able to register for any of the Extended Day programs.

Registration Terms (Fall, Winter, Spring)

Families will be self-registering their children for all Extended Day Programs for the 2024-2025 school year. You can either register one term at a time, or all at once. We close registration for the upcoming term a week in advance to allow LCS to update our Extended Day staff and the schools with the new rosters and any other necessary changes. Thank you for understanding!

There are three terms for Extended Day programming:

- *Fall: September - November*
- *Winter: December - February*
- *Spring: March - June*

As a reminder, each term's payment is due in full by the first day of the new term or you will incur a \$50 late fee.

Need help? Check out our [directions](#) for how to get started.

New this year:

There will be one cost per day for BEDs, LEDs, MSC, and REDs.

For BEDS, you may drop off your child anytime after 6:50. The cost will be \$10/day

For LEDS and MSC, you may pick up your child anytime until 6pm. The cost will be \$20/day

For REDS, you may pick up your child anytime until 6pm. This cost will be \$30/day

This allows for staffing to be consistent, and gives you the flexibility to pick up anytime after school ends until 6pm.
